

Reducing Barriers - Sarnia Academy

At Sarnia Academy we provide opportunities to for kids to try before they commit. –A free or discounted opportunity for them to try our Academy and let them experience it before committing. We also offer a welcoming Environment. Offering an explanation about our Academy and giving the option of different training dates that may be more convenient. Sarnia Academy also believes in creating partnerships in and around the city of Sarnia. This is also an opportunity to share information and work more closely together on program delivery.

Sarnia Academy will not deny or remove a child from the program, if the family is underprivileged or is proven in need of financial support. With the application through programs such as Kidsports, Jumpstart, Membership and company sponsorships, as well as financial support from Sarnia Academy.
